MORROW WILL VOTE ON PROHIBI

COUNTY SEAT FIGHT.

Prairie City and Canyon City Will Contest Again.

John Day, Oct. 29.—A renewal of the county seat fight, waged by Prairie City and its adherents for the change of the county seat from Can-yon City to the former place, has been made by the Prairie City county seat association.

A meeting has been held and ad-vance steps taken to have two petitions in the field not later than the coming month. The first will be drawn after the pattern of the successful Union county petition, and will probably be put in circulation on

election day, November 8.

Although the vote cannot be taken for two years, the committees in charge wish to have plenty of time to secure the required 60 per cent of signatures, and then some. The other paper to be circulated will call for subscriptions to build the court house duplicate of the which will be a Wheeler county building.

O. R. & N. May Cut Out Union.

La Grande, Oct. 29.—It is announce ed that the little steam railway be tween the O. R. & N. Union station just this side of Hot Lake and the town of Union is under option at a fair price to a syndicate which pro-poses to build an electric line on a loop including the present road taking in the towns of Union, Cove, Island City, and back to Hot Lake. The statement is made that if this rangement carries, the O. R. & N. Co. will move its station from Union to Hot Lake, and that thereafter trains will have a better show for getting a good start for climbing the Telocaset
